During your visit to the College campus, you are encouraged (but not required) to also sit-in as an audit student on all or some of the lectures for other course units in order to acquire some familiarity with other subjects which you might decide to formally undertake at a later stage of your studies.

- A guided tour of the Library is available from the librarian, Mr Chris Harvey, upon request.
- The Library will be open 10:00am to 8:00pm each day.
