## SCHOLARSHIP ASSISTANCE

St Andrew's is committed to admitting the most able and dedicated students to its courses, regardless of their financial means or background. Many students are eligible for financial support as outlined below, and this is automatically applied upon enrolment. There are no separate application forms for scholarships.

Scholarship assistance may be available to students of St Andrew's who undertake a full time study load (defined as being enrolled in 36 credit points in a given semester) and who also meet additional criteria as outlined in the relevant Course Information Sheet.

Scholarship assistance may also be available to part time students of St Andrew's enrolled in 18 or 27 credit points in a given semester and who meet one of the following descriptions:

- (a) alumni of St Andrew's Greek Orthodox Theological College
- (b) Orthodox Christian clergymen serving within the jurisdictions of local hierarchs who belong to the Episcopal Assembly of Canonical Orthodox Bishops of Oceania
- (c) the wife or child of a clergyman noted above
- (d) employees of schools and health care facilities operating under the auspices of the Greek Orthodox Archdiocese of Australia
- (e) church volunteers serving within parishes of local hierarchs who belong to the Episcopal Assembly of Canonical Orthodox Bishops of Oceania (e.g. Parish Committee, Ladies Auxiliary, Chaplaincy Volunteers, Chanters, Readers, Scripture Teachers, Sunday School Teachers)

Details relating to these scholarships are found in each Course Information Sheet and are also available by contacting the Registrar.

A student's scholarship eligibility is reviewed each semester or annually. Scholarship provisions are subject to change each year.

## HOW TO VARY YOUR ENROLMENT

Students wishing to vary an enrolment must contact the Registrar in writing before the end of Week 2 of the semester in question, whilst also bearing in mind the Census Date advertised on the website.

## REFUNDS

Students may withdraw from a unit without financial penalty only if notice of withdrawal is submitted in writing to the Registrar by the Census Date of the relevant semester. If withdrawal is within the specified deadlines a full refund, or pro-rata refund (based on the number of days for which the student accessed course unit material) of fees may be available.

## PAYMENT OF TUITION FEES

Australian citizens and holders of a permanent humanitarian visa enrolled in an accredited undergraduate or postgraduate award program may pay their tuition fee in three different ways:

- Pay the full amount of the tuition fee up front by cash (in person), cheque, money order, direct deposit, VISA or MasterCard
- Receive a FEE-HELP loan from the Federal Government for the full tuition fee (conditions apply -- visit [www.studyassist.gov.au](http://www.studyassist.gov.au))
- Pay a portion of the tuition fee up front and receive a FEE-HELP loan for the remainder of the full tuition fee.

Overseas students studying via distance education (online) mode must pay the full amount of the tuition fee up front in Australian dollars by:

- credit card (VISA and MasterCard only); or
- international bank transfer

Tuition fees are charged on a semester basis, as the majority of units run for only a semester. Payment is due prior to the commencement of the semester. Payment of fees, or completion of a FEE-HELP online application process, completes the enrolment process without which a student may not be permitted to attend class or access their distance education unit/s. In some instances, a monthly payment plan may be available (conditions apply). Please contact the Registrar for more information.
